# WHAT'S NEW AT SSS OEL?

## OFSTED REGISTERED

We are incredibly excited to announce our sports camps are now Ofsted registered. This is a significant milestone for us and a testament to providing high-quality sports camps in a safe & nurturing environment. This means that you can have even more confidence in the quality of care and supervision your child will receive while participating in our camps.

## FOOTBALL CAMPS

We have introduced football camps this year to SSS OEL. Alongside our popular multi sports camps you can now book football only camps at select venues! Designed for children who are passionate about the beautiful game, this special camp offers a unique opportunity to immerse yourself in the spirit of football while honing your football skills and making unforgettable memories.

## TAX FREE CHILDCARE

We are incredibly excited to say we now accept childcare vouchers for our upcoming camps. We are excited to offer this convenient payment option to make it easier for you to enroll your child in camp activities as we know childcare expenses can be challenging. Please visit <https://www.gov.uk/tax-free-childcare> or drop us a message to find out more.

## EVENTS

We once again partnered with the girls football school partnership supported by Barclays within the Barking & Dagenham area to host another football festival as well as leading a cheerleading festival for 120 children from local schools in Havering! We absolutely love having the opportunity to work within our community to inspire the next generation of athletes.

## HAF IS BACK

Our partnership with the Havering Activities & food programme (HAF) will be continuing for our Summer camps! The HAF programme your child to attend our participating camps for free and be provided a free snack & lunch. The eligibility criteria are that the child must be eligible for free school meals. Please get in contact if you would like more information

## JACK'S NEWS

Our Director Jack Robson, was recently re-elected as the Sports Liaison Officer for the Havering Sports Council.

This will be Jack's 3rd year in the role & allows him to get involved in many projects to keep getting children fit, healthy & active across the borough.
